**INDEPENDENT AUDITOR'S REVIEW REPORT  
TO THE SHAREHOLDERS OF NATIONAL FINANCE HOUSE COMPANY  
(A JOINT STOCK COMPANY)**

**Introduction**

We have reviewed the accompanying interim condensed statement of financial position of National Finance House Company (A Joint Stock Company) (the "Company") as at 30 September 2025, and the related interim condensed statement of comprehensive income for the three-month and nine-month periods ended 30 September 2025, and the related interim condensed statement of changes in equity and cash flows for the nine-month period then ended, and explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "*Interim Financial Reporting*" ("IAS 34") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

**Scope of review**

We conducted our review in accordance with International Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statement consists of making inquiries, primarily of the persons responsible for the financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

**Other matter**

The financial statements of the Company for the year ended 31 December 2024 were audited by another auditor who expressed an unmodified opinion on those financial statements on 5 March 2025 (corresponding to 5 Ramadhan 1446H). Further, the interim condensed financial statements of the Company for the three-month and nine-month periods ended 30 September 2024 were reviewed by another auditor who expressed an unmodified review conclusion on those interim condensed financial statements on 28 October 2024 (corresponding to 25 Rabi Al Thani 1446H).

### 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

These interim condensed financial statements have been prepared in accordance with *International Accounting Standard 34 - Interim Financial Reporting ("IAS 34")*, as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements endorsed by the Saudi Organization for Chartered and Professional Accountants (SOCPA).

These interim condensed financial statements do not include all of the information required for annual financial statements and should be read in conjunction with the Company's annual financial statements for the year ended 31 December 2024. In addition, results for the three-month and nine-month periods ended 30 September 2025 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2025.

#### 2.2 Basis of measurement

These interim condensed financial statements have been prepared under the historical cost convention using accrual basis of accounting.

These interim condensed financial statements have been prepared on going concern basis, which contemplates the realization of assets and settlement of liabilities in the normal course of the business.

#### 2.3 Functional and presentation currency

These interim condensed financial statements have been presented in Saudi Riyals ("SR"), which is the Company's functional and presentation currency, except as otherwise indicated.

#### 2.4 Significant judgments, estimates and assumptions

The preparation of Company's interim condensed financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

**2 BASIS OF PREPARATION (continued)**

**2.4 Significant judgments, estimates and assumptions (continued)**

The Company based its assumptions and estimates on parameters available when the interim condensed financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

The significant judgments exercised in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those described in the last annual financial statements for the year ended 31 December 2024.

**3 MATERIAL ACCOUNTING POLICY INFORMATION**

The material accounting policies applied in these interim condensed financial statements are the same as those applied in the Company's annual financial statements as at and for the year ended 31 December 2024, except for the adoption of certain amendments, effective as of 1 January 2025, as disclosed in Note 4.

**4 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS**

**4.1 Standards, interpretations and amendments that became effective during the period**

Following amendments to IFRS and International Accounting Standards were effective on or after 1 January 2025, but they did not have a material effect on the interim condensed financial statements:

8.2 The Company in the ordinary course of its business holds collateral in respect of Islamic financing (being the title of assets leased out) in order to mitigate the credit risk associated with them. These collaterals are not readily convertible into cash and are intended to be repossessed and disposed of in case the customer defaults.

8.3 The Company has assigned islamic financing receivables amounting to SR 634 million (31 December 2024: SR 604 million) to local commercial banks for obtaining financial facilities. These islamic financing receivables have not been derecognized from the statement of financial position as the Company retains substantially all the risks and rewards, primarily credit risk.

The Company has secured financial facilities from local banks to finance its working capital and customer financing needs. These facilities incur finance costs based on Saudi banks' internal lending rates (SAIBOR) plus a profit margin ranging from 2.25% to 2.5%. They are secured by promissory notes, a pledge on receivables, and restricted cash deposits, with original maturities of 48 to 60 months. The Company is required to comply with certain covenants as per the facility agreement, and as of the reporting date, it is in compliance.

# NATIONAL FINANCE HOUSE COMPANY

## (A JOINT STOCK COMPANY)

### NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS

#### (UNAUDITED) (continued)

At 30 September 2025

## **15 FAIR VALUE OF FINANCIAL INSTRUMENTS**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction takes place either:

- In the accessible principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous accessible market for the asset or liability
- Fair value information of the Company's financial instruments is analysed below:

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: quoted prices in active markets for the same or identical instrument that an entity can access at the measurement date;

Level 2: quoted prices in inactive markets for similar assets and liabilities or valuation techniques for which all significant inputs are based on observable market data; and

Level 3: valuation techniques for which any significant input is not based on observable market data.

The Company's Level 3 financial assets comprise investment in unquoted investee company.

There were no transfers between level 1 and level 3 during the nine-month period 30 September 2025 (31 December 2024: nil). There were no financial assets or financial liabilities classified under level 2.

There were no changes in valuation techniques during the period.

As at 30 September 2025, the financial assets of the Company comprised of net investments in islamic financing, term deposits, restricted cash deposit, cash and cash equivalents and other receivables which are recorded at amortised cost and whose carrying value approximates its fair value except for net investment in islamic financing and the Company's financial liabilities include trade payables, other payables and accruals, due to related parties and financial facilities.

## **16 FINANCIAL RISK MANAGEMENT**

The Company's activities are exposed to a variety of financial risks which mainly include market risk (including foreign exchange risk, interest rate risk and price risk) credit risk and liquidity risk. The interim condensed financial statements do not include all financial risk management information and disclosures required in the annual financial statements; and therefore, should be read in conjunction with the Company's annual financial statements as at 31 December 2024. There have been no changes in the risk management policies since the year end.

### **Capital management**

The Company's capital management objectives are to ensure the Company's ability to continue as a going concern and to provide adequate return to its shareholders through the optimization of the capital structure. The Company manages the capital structure and makes adjustments in the light of changes in economic conditions and risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to shareholders, return capital to shareholders or issue new shares. No changes were made in objectives, policies or processes for managing capital during the nine-month period ended 30 September 2025.

The Company monitors the aggregate amount of financing offered by the Company on the basis of the regulatory requirements of Regulations for Companies and SAMA.
